SUBJECTS

ABDOMEN

curative approach to pseudomyxoma peritonei 38(4):13, 1991 oa

ANATOMY

the surgical anatomy of the inguinal area — part 1 38(1):20, 1991 oa

the surgical anatomy of the inguinal area — part 2 38(2):28, 1991, oa

BREAST

technique of modified radical mastectomy with the contact neodymium YAG laser 38(2):11, 1991 oa

pure primary squamous cell carcinoma of the breast: a case report and review of the literature 38(4):59, 1991 oarc

isolated metastatic breast carcinoma to the spleen 38(5):42, 1991 oarc

an alternative technique for modified radical mastectomy with immediate reconstruction 38(6):20, 1991 oa

CANCER

subcutaneous angiosarcoma adjacent to the subclavian artery 38(3):18, 1991 oa

a case report of a left atrial cavernous hemangioma and review of the literature 38(3):26, 1991 oa

anaplastic carcinoma of the thyroid presenting as a mediastinal mass with stridor 38(3):48, 1991 oa

curative approach to pseudomyxoma peritonei 38(4):13, 1991 oa

pure primary squamous cell carcinoma of the breast: a case report and review of the literature 38(4):59, 1991 oarc

the role of the ovary in colon cancer management 38(5):15, 1991 oa

isolated metastatic breast carcinoma to the spleen 38(5):42, 1991 oarc

COLON

colonic strictures: management by endoscopic balloon dilatation 38(3):50, 1991 oa

the role of the ovary in colon cancer management 38(5):15, 1991 oa

ESOPHAGUS

surgical treatment of reflux esophagitis 38(1):38, 1991 s

GALLBLADDER

laparoscopic cholecystectomy 38(2):21, 1991 oa

laparoscopic cholecystectomy 38(3):69, 1991 s

GASTROINTESTINAL

perforated gastroduodenal ulcers 38(3):13, 1991 oa

gastrointestinal amyloidosis 38(3):37, 1991 oa

the presentation of jejunogastric intussusception 38(4):51, 1991 oarc

volvulus and small bowel obstruction in adults 38(5):28, 1991 oa

strangulated left paraduodenal hernia: an unusual cause of intestinal obstruction 38(5):57, 1991 oarc

toothpick perforation of the intestine: a report of two cases 38(6):29, 1991 oa

HEAD

cutaneous coverage for the difficult scalp wound 38(4):22, 1991 oa

HEART

a rational approach to the diagnosis of cardiac contusion 38(2):47, 1991 oarc

a case report of a left atrial cavernous hemangioma and review of the literature 38(3):26, 1991 oa

HEMORRHOIDS

the office treatment of symptomatic hemorrhoids 38(3):44, 1991 oa

HERNIA

strangulated left paraduodenal hernia: an unusual cause of intestinal obstruction 38(5):57, 1991 oarc

HISTORY

cases from out of the past:

VII Charles McBurney — early operative treatment of acute appendicitis 38(1):35, 1991 oa

VIII William Stewart Halsted 38(2):39, 1991 oa

IX Sir William Arbuthnot Lane 38(3):54, 1991 oa

X Baron Dominique Jean de Larrey 38(4):31, 1991 oa

XI Theodor Billroth 38(5):77, 1991 oa

XII Carl Langenbuch 38(6):39, 1991 oa

INFECTIONS

surgical infections: current concepts in antibiotic therapy 38(4):62, 1991 s

correction of the infected mediastinum after cardiac surgery 38(5):61, 1991 s

Six-Month Index *continued*

LAPAROSCOPY

laparoscopic cholecystectomy 38(2):21, 1991 oa

laparoscopic cholecystectomy 38(3):69, 1991 s

LASERS

technique of modified radical mastectomy with the contact neodymium YAG laser 38(2):11, 1991 oa

LIVER

ancillary techniques in liver surgery 38(2):65, 1991 s

OVARY

the role of the ovary in colon cancer management 38(5):15, 1991 oa

PANCREAS

hemosuccus pancreaticus: an unusual cause of upper gastrointestinal hemorrhage 38(1):11, 1991 oa

surgical treatment of gallstone pancreatitis 38(6):13, 1991 oa

management of acute hemorrhagic pancreatitis 38(6):51, 1991 s

PARATHYROID

surgical treatment of secondary hyperparathyroidism 38(2):60, 1991 oarc

SPLEEN

isolated metastatic breast carcinoma to the spleen 38(5):42, 1991 oarc 38(5):42, 1991 oarc

THORACIC

emergency thoracotomy: its applications and indications in a community hospital setting 38(3):63, 1991 oarc

correction of the infected mediastinum after cardiac surgery 38(5):61, 1991 s

THYROID

anaplastic carcinoma of the thyroid presenting as a mediastinal mass with stridor 38(3):48, 1991 oa

TRAUMA

a rational approach to the diagnosis of cardiac contusion 38(2):47, 1991 oarc

emergency thoracotomy: its applications and indications in a community hospital setting 38(3):63, 1991 oarc

hemodynamic consequences of carotid cavernous fistulae 38(5):21, 1991 oa

rotational scapular island flap for soft tissue coverage of traumatic shoulder defect 38(5):49, 1991 oarc

development of traumatic lung cyst after blunt trauma 38(6):43, 1991 oarc

TUMORS

subcutaneous angiosarcoma adjacent to the subclavian artery 38(3):18, 1991 oa

a case report of a left atrial cavernous hemangioma and review of the literature 38(3):26, 1991 oa
